FROM THE CLUB PRESIDENT

Congratulations to all of our Saturday teams who made the finals in the Summer season, and particularly to those who won their Grand Finals. We had plenty of teams make it through to finals but unfortunately finished with more runners-up flags than premiers, with one senior team (Men's Doubles) and two junior teams (Girls Sec 3 and Boys Sec 8) winning.

The Winter season starts a bit later this year because Anzac Day falls on the Saturday when the season would normally start. It also means that the practice sessions will be on the preceding Sunday, rather than the usual Saturday.

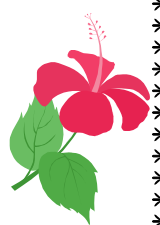

It is great to have the car park completed, and it seems to be pretty well designed considering the unusual area and gradient that the engineers had to deal with. We have written to the Council to express our thanks. Council is now designing another parking area behind the netball club, although it's likely to be a year or two before it's built.

If you notice any maintenance requirements around the Club and you can't deal with them yourself, please note them in the Maintenance Book. If you are willing to take responsibility for dealing with the problem, it's probably a good idea to call me or one of the Committee first, just to be sure that someone else isn't already following it up.

Thanks to all the co-ordinators, supervisors, team managers, score recorder and parents for their assistance over the past season. It certainly makes the job much easier when you have parents offering to take on jobs and performing the tasks so competently. Particular thanks to Kim Pryde (girls co-ordinator) and Debbie Cox (boys co-ordinator). Creating these positions has helped split the load.

Winter 2009

Team Practice & Presentation:- Sunday 26th April

1st match:- Saturday 2nd May

We welcome a lot of new juniors to the club this season, so please ensure their tennis experience is fantastic. We have applied for 29 teams for winter competition. At this stage we are waiting for the PTA to grade these teams. Sections over winter for the boys are affected by The Peninsula School which last season entered 15 teams, many of them towards the higher sections. This means it is more difficult to move to a higher section over winter. We are hoping that teams will be available by the start of the school term.

Presentation to Grand finalist from summer season will be on 26th April. Time to be announced when we have the sections back from the PTA. Check the clubroom notice board.

All players have team practice on Sunday 26th April. If you are unable to attend, please ensure you find out your team and match details from your team manager. Teams and practice times will be posted in the clubrooms once we know the sections for the teams.
